Our Mission

Connecting Switzerland, India, and the world in education, research, and innovation (to foster engagements that pursue inclusive prosperity, urgent progress, and a vibrant exchange).
What We Do

1. **Connect** our partners to thriving innovation ecosystems worldwide

2. **Advise** on trends and opportunities in science, education and innovation

3. **Promote** the visibility of Swiss higher education and research institutions, startups and other innovation-driven partner organizations

4. **Inspire** new ideas by promoting knowledge exchange
Rethinking International Exchange with Digital

Bringing agility and innovation to international higher education
Thank You!
