University
of Glasgow

What makes it work?

Supporting the academic
Professional services team
Partnership development funding
EMDM proves we were on the right track
Aligning to EU priorities/objectives

University
of Glasgow

Initial consortium development

- 2 - day event (bring minimum of 4 to the table)
- Use of questionnaire
- Gaining commitment from potential partners
- Establishing the minimums and priorities (which semester, how many students)
- Incorporating placements and languages

University
of Glasgow

Thank you and any questions?
